

Privacy Policy

Effective date: October 2026

1. Introduction

VELIX ("VELIX," "we," "us" or "our") is a company in formation developing predictive health technology for dogs. This Privacy Policy explains how we collect, use, share and protect personal information when you visit our website at velix.bio (the "Site") or contact us through it.

By using the Site or submitting information to us, you acknowledge that you have read this Privacy Policy.

2. Information We Collect

Information you provide. When you use our contact form, we collect the information you choose to submit: your name, email address, organization (optional), the role you select and the content of your message.

Information collected automatically. Like most websites, our hosting provider processes basic technical information, such as your IP address, browser type and the date and time of your visit, in order to deliver the Site and keep it secure. To display its typefaces, the Site loads fonts from Google Fonts, which receives your IP address as part of that request.

3. How We Use Information

We use personal information to:

- read and respond to your message and follow up on the conversation you requested;
- operate, maintain and secure the Site; and
- comply with applicable law and protect our rights.

We do not use your information for advertising, and we do not sell or rent it.

4. How We Share Information

We share personal information only as described below:

- **Service providers** that act on our behalf, such as our form-processing, email and website-hosting providers, which may use the information only to provide their services to us;

- **Legal requirements**, when we believe disclosure is required by law or necessary to protect the rights, property or safety of VELIX or others; and
- **Business transfers**, in connection with a financing, merger, acquisition or similar transaction, subject to this Privacy Policy.

5. Cookies and Similar Technologies

The Site does not use cookies or similar technologies for analytics or advertising.

6. Data Security

We use reasonable administrative, technical and organizational measures to protect personal information. No method of transmission over the internet or of electronic storage is completely secure, and we cannot guarantee absolute security.

7. Data Retention

We keep personal information only for as long as necessary for the purposes described in this Privacy Policy, unless a longer period is required by law. You may ask us at any time to delete the information you sent us.

8. Your Rights and Choices

You may request access to, correction of or deletion of the personal information you have provided to us. Depending on where you live, including California, the European Economic Area and Argentina, you may have additional rights under applicable law. To make a request, contact us as described in Section 12. We will not discriminate against you for exercising your rights.

9. International Transfers

Our team is based in Argentina, and our service providers may process information in the United States and other countries. Where required, we take steps to protect personal information transferred across borders.

10. Children's Privacy

The Site is not directed to children under 13, and we do not knowingly collect personal information from them. If you believe a child has provided us with personal information, please contact us and we will delete it.

11. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. When we do, we will revise the effective date above and post the updated version on the Site.

12. Contact Us

If you have questions about this Privacy Policy or wish to exercise your rights, please contact us through the contact form on velix.bio or by email at hello@velix.bio.
